SENIOR COUNCIL

The 1951 Senior Class sets a precedent by creating a Senior Cabinet and a Senior Council. This system is employed to obtain more cross-section participation by the seniors in the senior functions.

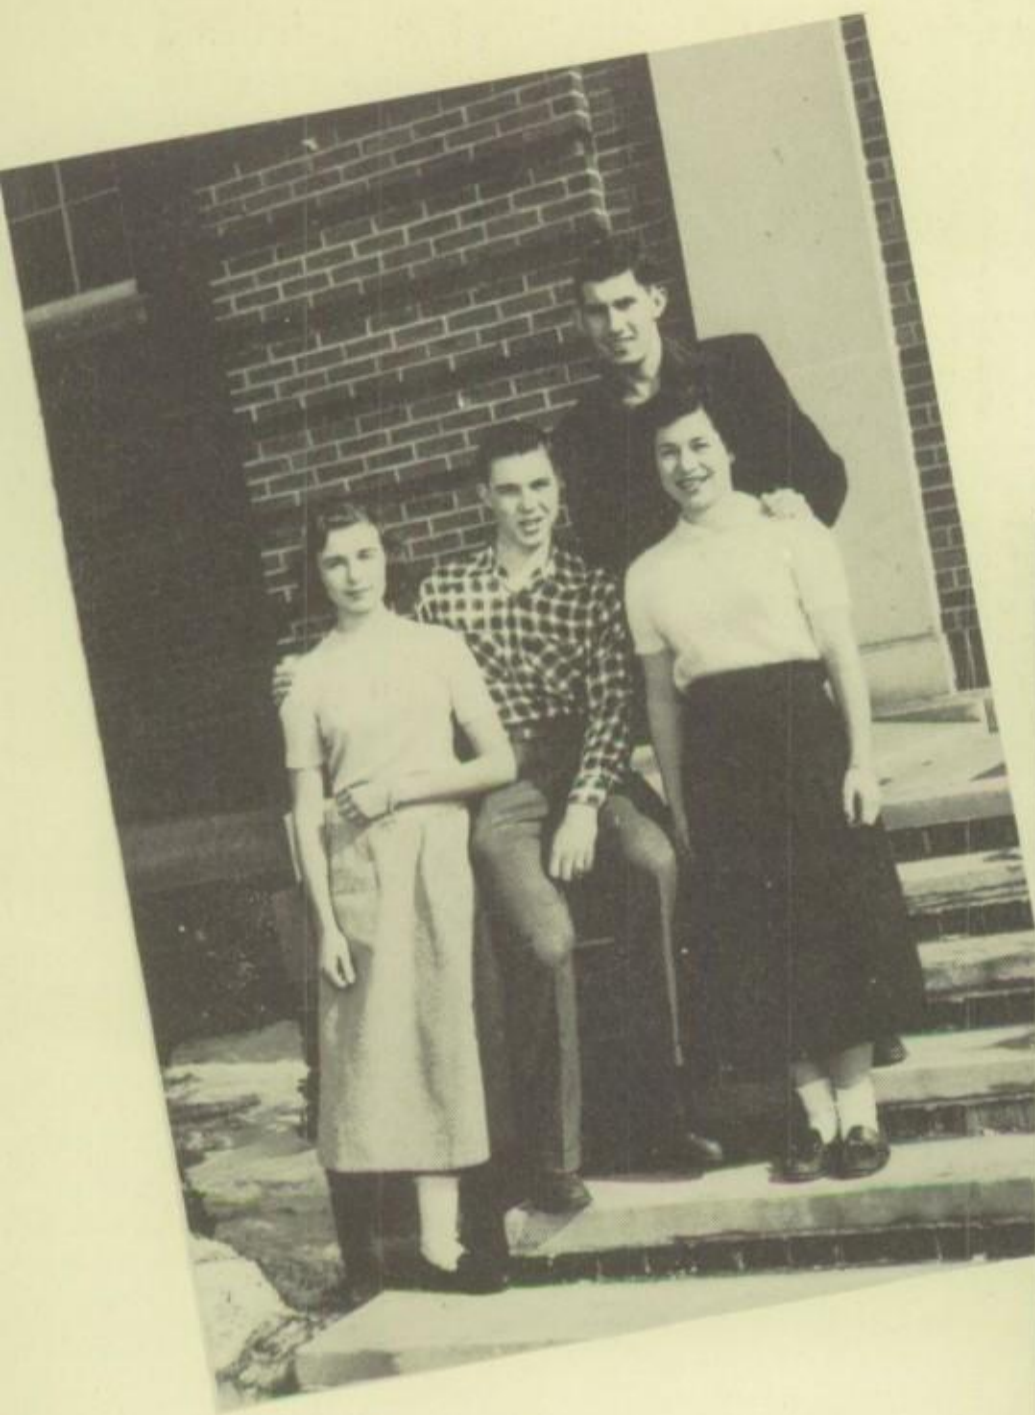

The group is selected by the officers of the senior class. Members of the group head different divisions such as the following: labor, art, business, publicity, and lighting.

Duties of the Council include organizing various senior activities such as the Senior Play, the Christmas Dance, and the Senior-Faculty Game. They raise money for the Senior Prom, and attend to the decorating of the gym.

This system proves helpful in carrying out the projects for the senior year. Prompt dissemination of the material under discussion is assured by appointing alternate members from each homeroom. Many problems are brought to the students' attention by the meetings and work sessions.

The success of an organization depends upon its guidance. A vote of thanks is passed for our advisors, Mr. Duthie and Mrs. Cohn.

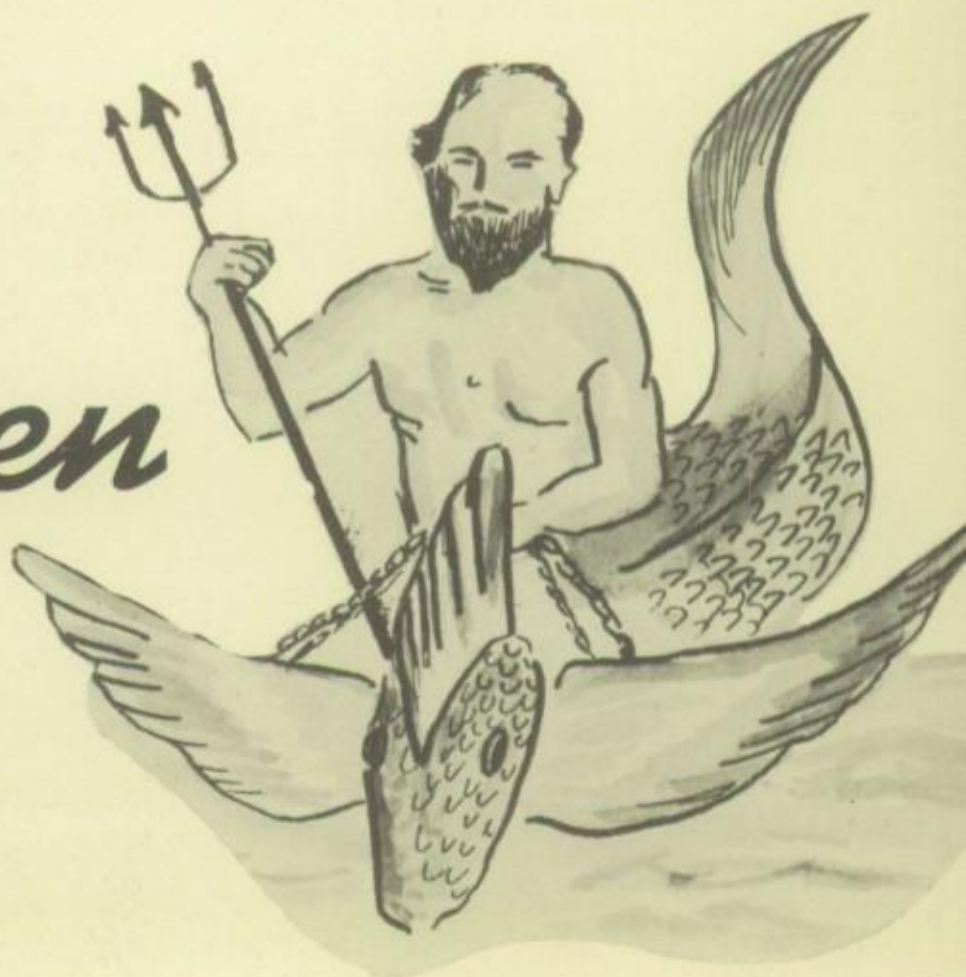

LEFT TO RIGHT: Marion Karpinski, Wayne Branom, Carol Eisner, and David Doremus.

Underclassmen

Juniors — Class of 1952

Sophomores — Class of 1953

To You, the Underclassmen

Our journey has ended and yours
has just begun.

A trip full of learning; full of
fun.

We've sighted the shores of success
from the rail,

Now is the time for you to sail.

June marks the passing away of the Class of 1951. After all deaths, the reading of the last will and testament of the deceased usually takes place immediately. We have no will. The things we could leave to you are not ours. They belong to Hillside High School. If we composed a will, we could leave to you, the underclassmen, all the many personal sayings and objects that marked our stay here. Their meanings will never be the same to you. We change; the world changes; the meanings change.

There is something heartening about attending a "good" high school. There are books and tests, and all the material learnings, but there is also a greater learning, a learning of life, of citizenship, of ideals. These are the things that constitute a "good" high school. These are the things we can leave to the underclassmen. They were left to us, too. They are perennial.

Attending this school has been an experience that will always remain a part of our lives. When you become a senior you will realize the changes that have occurred in the past three years. You enter a bewildered, struggling part of the school structure. You depart an assured, coordinated individual. We leave you hopes and desires that only you can fulfill. We leave you remembrances of all the many days of the journey. You will leave them too.

Death can sometimes be merciful. We pass away happily. A new life awaits us. New struggles, new wants, new journeys lie beyond. As we leave we feel strong, prepared, ready to progress.

The things we leave you are the intangible things that can be found only by wanting and looking. They exist because you desire them. They are in everything you do in school. You can find them in the halls, the classrooms, the books, the dances, the ball games. Because these things exist, our death is not a final one. We will be remembered when you are looking and finding. Our joys will be your joys; our heartbreaks, your heartbreaks.

Time moves much too swiftly and before your sails have filled to capacity, it seems you return. We come to port with a safe and successful voyage completed, but with a feeling of reverence and love for the sea we have just sailed.

Football Full Steam Ahead

Hillside High's grid team was a scrappy crew this year. In the backfield were Al Corsano, Joe Aromando, John Ciasca, Sam Furiness, Ray Jazikoff, Dick Kelly, and Dave Schuckman. Jim Egan and Tony Saddler played end with Ray Spiegel and George Parratt as tackles. Frank Volturo and Phil Edwards acted as guards while Jack Irwin played center. Round-

ing out the team's power were John Hudziak, Phil Savitiere, and Bernie Marcus.

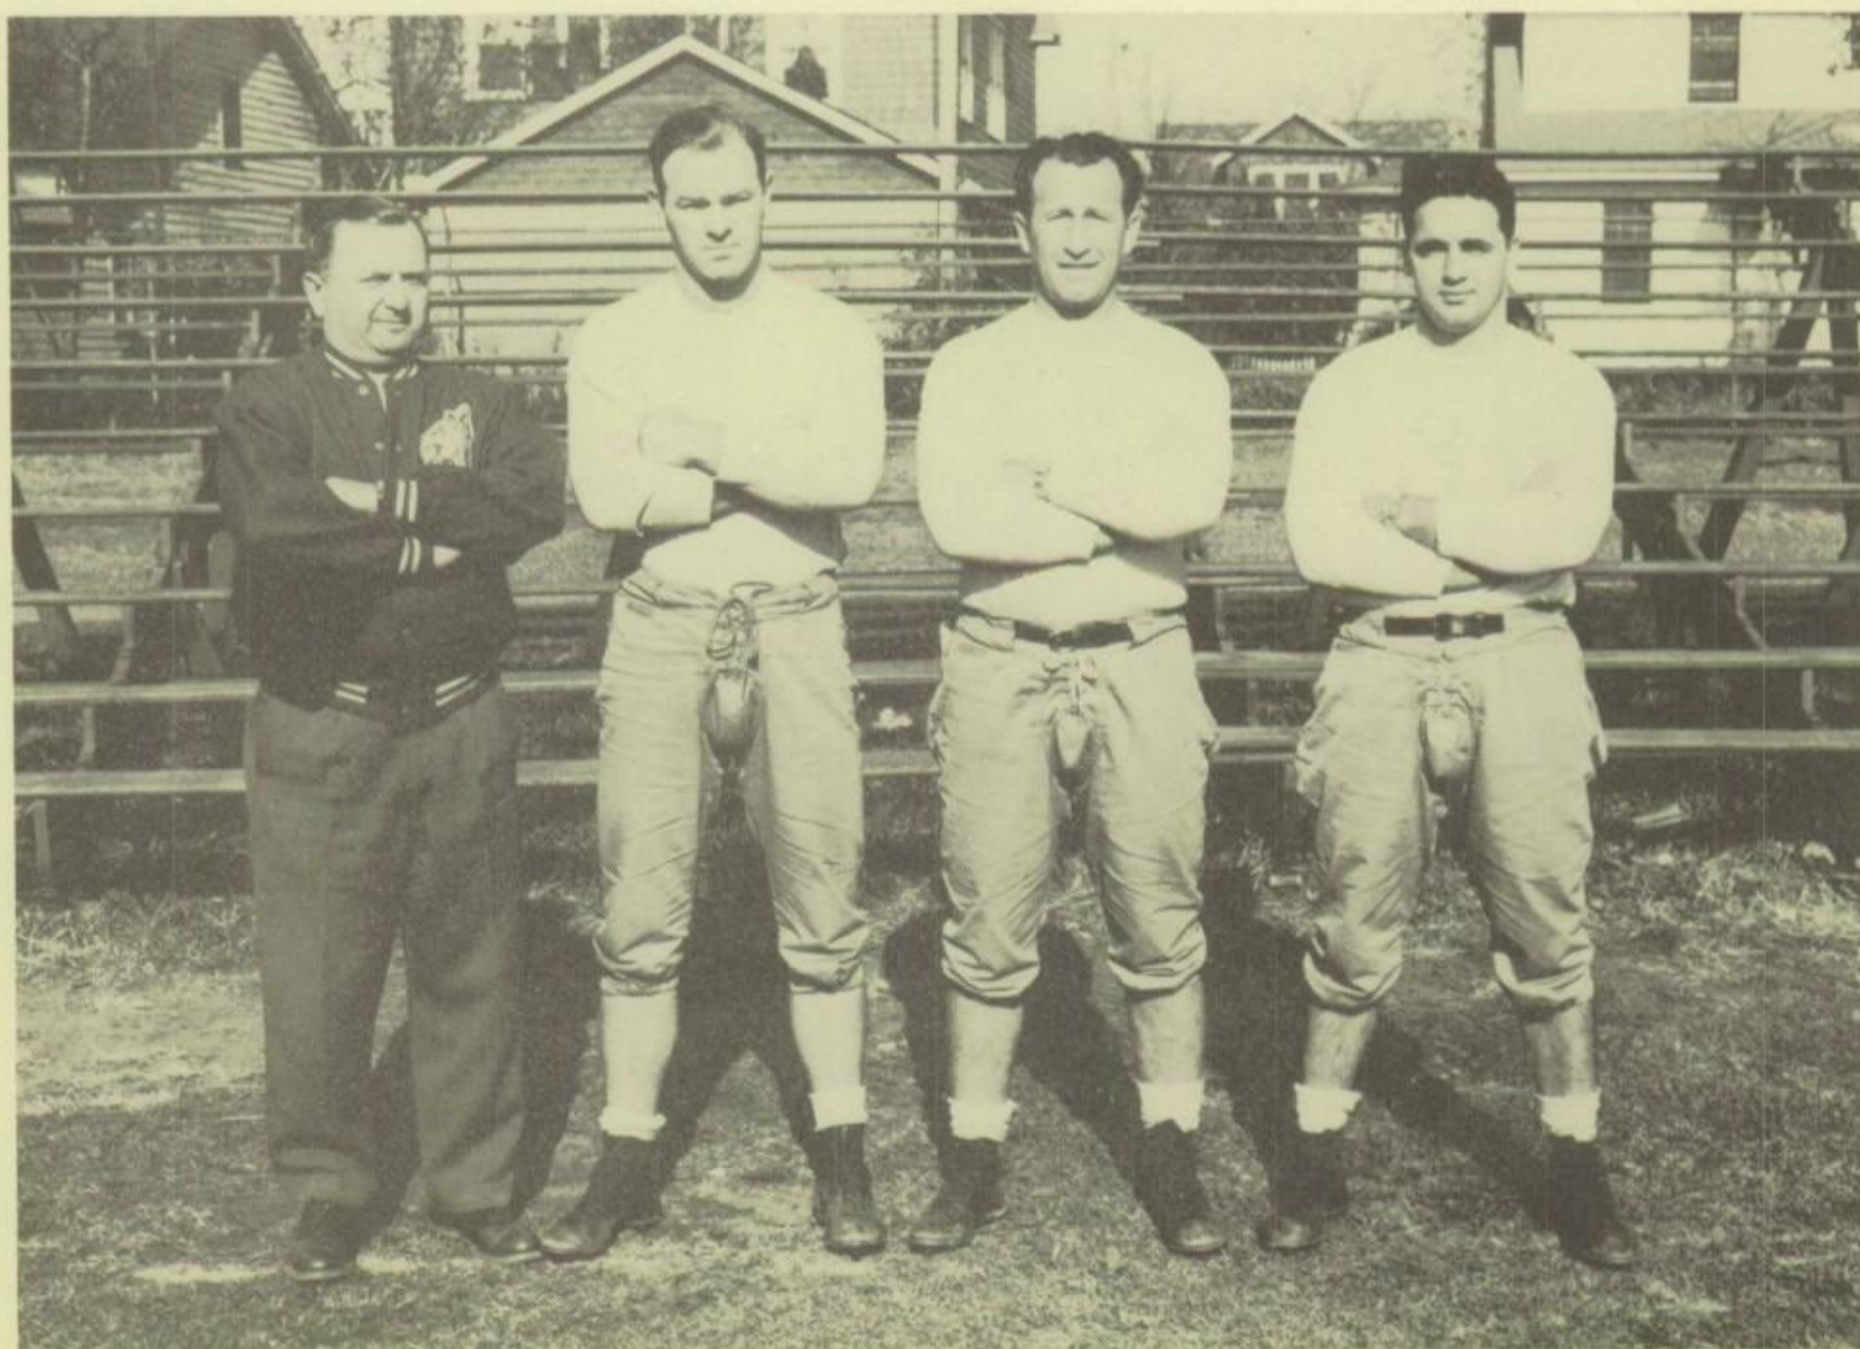

The thrill of football is not merely the piling up of high scores. The Hillside students proudly rooted for this team as colorful and fast action showed them to be capable of top sportsmanship and courage.

Basketball

Hillside finished its regular basketball season with a 5-13 won and lost mark. The spectators enjoyed watching these spirited games which were marked by enthusiasm and good sportsmanship. The future looks bright for Coach Silver as the J.V. and freshman teams seem to have what it takes. The J.V.'s under Coach Ladayne finished their season with a 10-5 tally.

MISS PHEBE HAVILAND

Charting Our Course

The Student General Association, under the supervision of Mrs. Annamae Rudolph as advisor, and Miss Phebe Haviland as treasurer, is the backbone of the school's activities. It supports all the clubs with financial aid.

In order to raise more money for support of these clubs, a magazine drive was sponsored by the SGA. Almost all school functions charge admission only to outside guests. Each Hillside SGA member uses his ticket as admission. No other school has such a privilege.

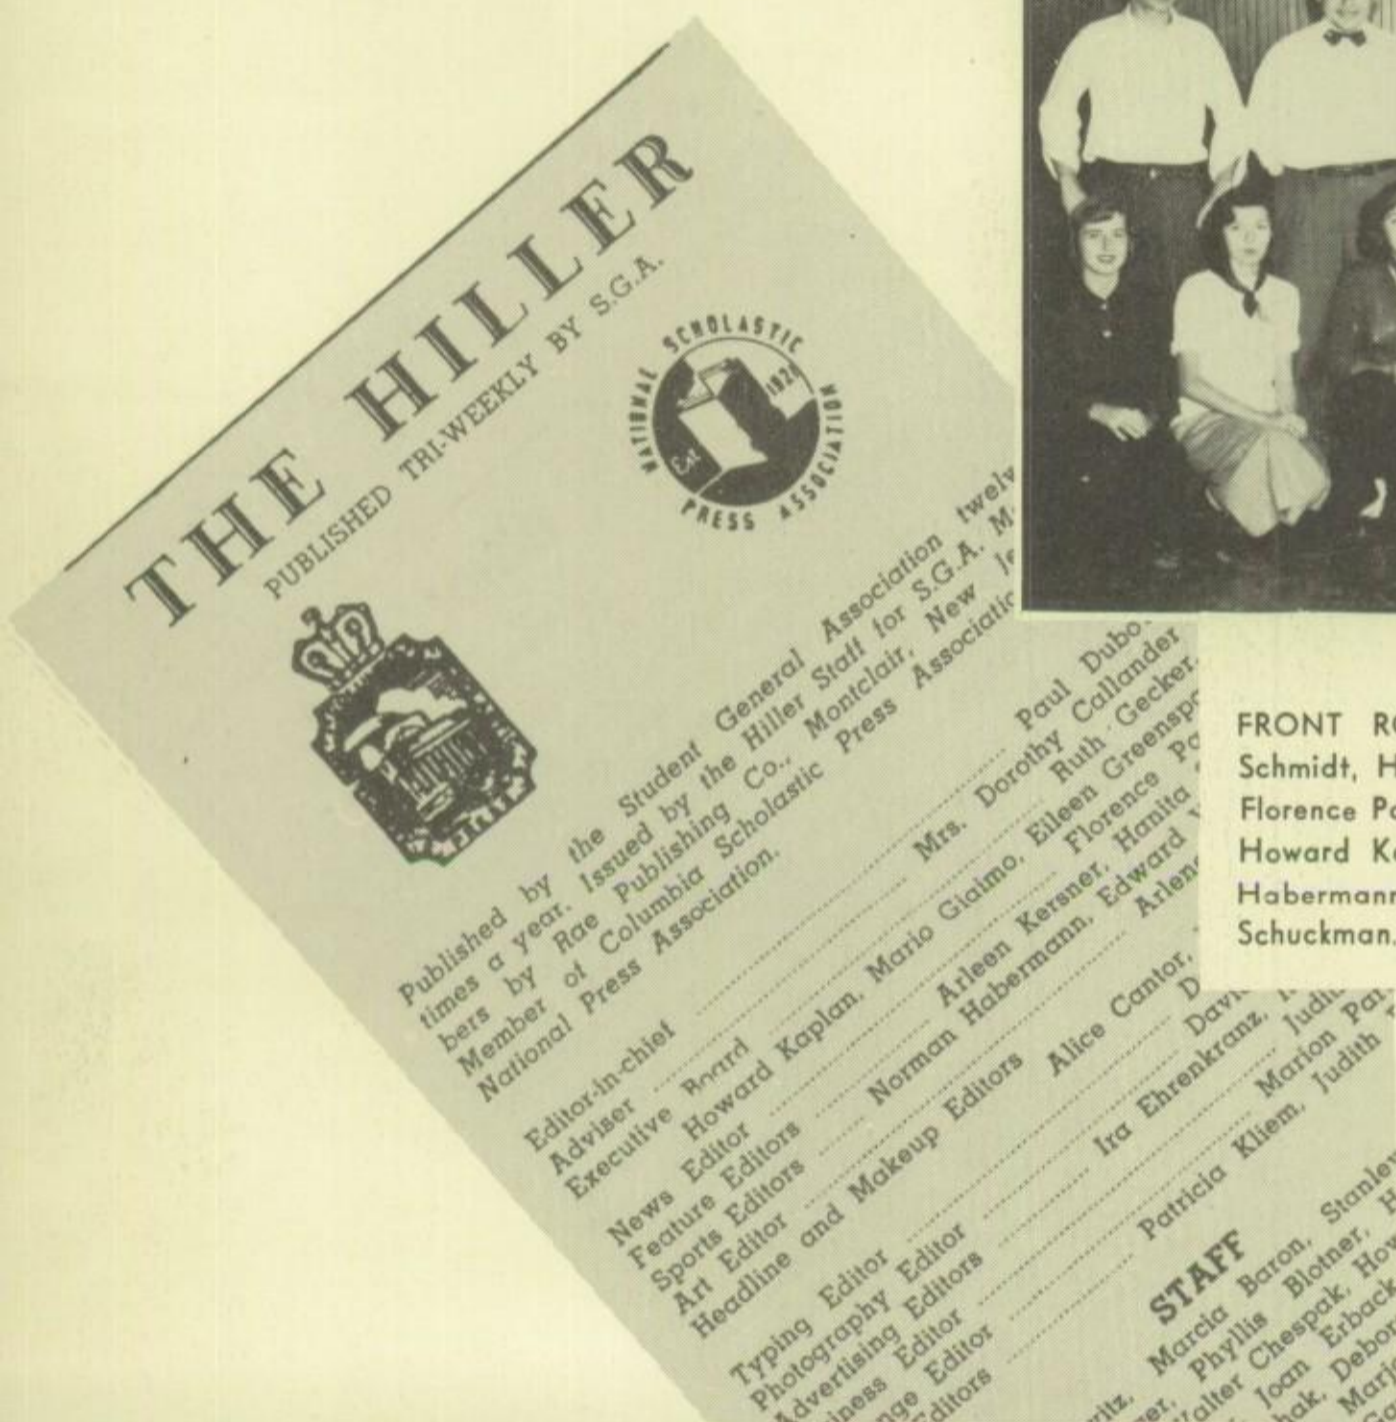

This year several new practices were started. One of them was the reserved section for students at all home football games. The Christmas tree in the front hall was a holiday innovation. Plans were made for exchange assembly programs with neighboring schools for the first time.

The SGA office also moved into its new cabinet meeting room next to the office.

HILLER EDITORS

FRONT ROW, left to right: Beth Raphael, Arlene Schmidt, Hanita Seifer, Alice Cantor, Marion Partridge, Florence Pastor, Arlene Kersner, Judy Eagle. BACK ROW: Howard Kaplan, Paul Dubow, Edward Vadeika, Norman Habermann, Ira Ehrenkranz, Robert Feld, David Schuckman.

PRESS CLUB

THE HILLER

The Hiller is a tri-weekly newspaper published by a staff of students with the advisor, Mrs. Dorothy Callander. Keeping everyone informed of school news is its main function. It has received first class ranking from the Columbia Scholastic Press Association and an All-American rating from the National Scholastic Press Association.

It is a member of the Quill and Scroll Society for high school newspapers.

STAFF

Marcia Baron, Stanley Blotner, Phyllis Chespak, Joan Erback, Walter Cheskak, Marion Partridge, Ellen Garman, Goldson, Hinton, Joan Jackson, Howard Kaplan, Lillian, Marenz, Orenstein, Rausch, Schuster, Andrea Strom, Ely Wein

NATIONAL HONOR SOCIETY

The National Honor Society is the only honorary group in Hillside High School. Its membership consists of a few juniors and seniors who are chosen because of their leadership, service, character, and scholarship. This group endeavors to aid fellow students by tutoring them in class subjects in which they need help. Miss Mary Cosgrove is the advisor.

THESPIANS

The only dramatic organization in the school is the Thespians, group 887 of the National Thespian Society. Its members are chosen on their theatrical ability, and these people dramatize and direct plays. A one-act play festival is given yearly. Miss Olive Rapp is the advisor.

CLOTHING CLUB

Miss Alice Barden is the advisor of this club. The girls enjoy sewing their clothes, thus increasing their wardrobes. The girls may select what they wish to make.

FOLK DANCE

This club familiarizes itself with the folk dances of other countries. An assembly program is presented by this group. Miss Jeanne Simonet is the advisor.

STAMP CLUB

The Stamp Club collects and exchanges stamps. Mr. George Sickels, advisor, helps familiarize the students with all the phases of stamp collecting. Those with large collections are able to add to their collection by trading.

RIFLE CLUB

Helping to coach the boys in developing accurate marksmanship is the job of Mr. Charles Kennington. The group has a rifle range, where it can practice its marksmanship. The club participates with other schools in rifle matches.

GOLF CLUB

Mr. Joseph Silver, advisor, teaches his club members the correct methods of playing golf. The club competes with other golf clubs in various schools.

MARIONETTE CLUB

The Marionette Club is under the supervision of Mrs. Elaine Cohn. Students make their own puppets. This year the group made puppets that centered around well-known fairy tale characters.

Hi-Y

This club is affiliated with the Y.M.C.A. Its purpose is to maintain Christian living in the school and community. Its main event is the traditional basketball game with the A.Z.A. Mr. Irwin Sowers is the club's advisor.

A.Z.A.

Mr. Edward Gottlieb is the advisor of the A.Z.A. This club creates in students an appreciation of the American and Jewish heritage. The club participates in community activities, as well as services to the school. It promotes responsible and self-reliant students.

CHILD CARE CLUB

This club learns how to take care of children from infancy to childhood. Mrs. Mildred Hathaway is the club's advisor. In order to practice their knowledge, the students practice on a life-sized doll.

FUTURE NURSES

Miss Martha Foster, R.N., is the supervisor for this club. She helps the girls interested in nursing by providing them with information, and letting them assist her in medical work. During the year the girls visit various hospitals in order to familiarize themselves with the duties of student nurses.

SHOP CLUB

The Shop Club gives to its members valuable training in craftsmanship. Through this club the boys make useful items, which may be used in or outside of school. Mr. Harold Eichman is the supervisor.

DEBATE AND FORUM

This club arouses interest in current topics by discussion. The club is striving to obtain membership in the New Jersey Forensic League. It participates in the Union County Forum, New Jersey International Relations Forum, and the Kresge's Town Meeting. The club is headed by Mr. Frank Edwards, American History teacher.

PROJECTION CREW

Mr. John Sidun heads this group. Their job is to take charge of the projection machine. They take charge of all motion pictures that are shown to the students.

AMPLIFIER CREW

The Amplifier Crew takes care of all the sound instruments in Hillside High School. Mr. Horace MacNab supervises this club. This crew is well acquainted with the public address system and with the process of wire recording.

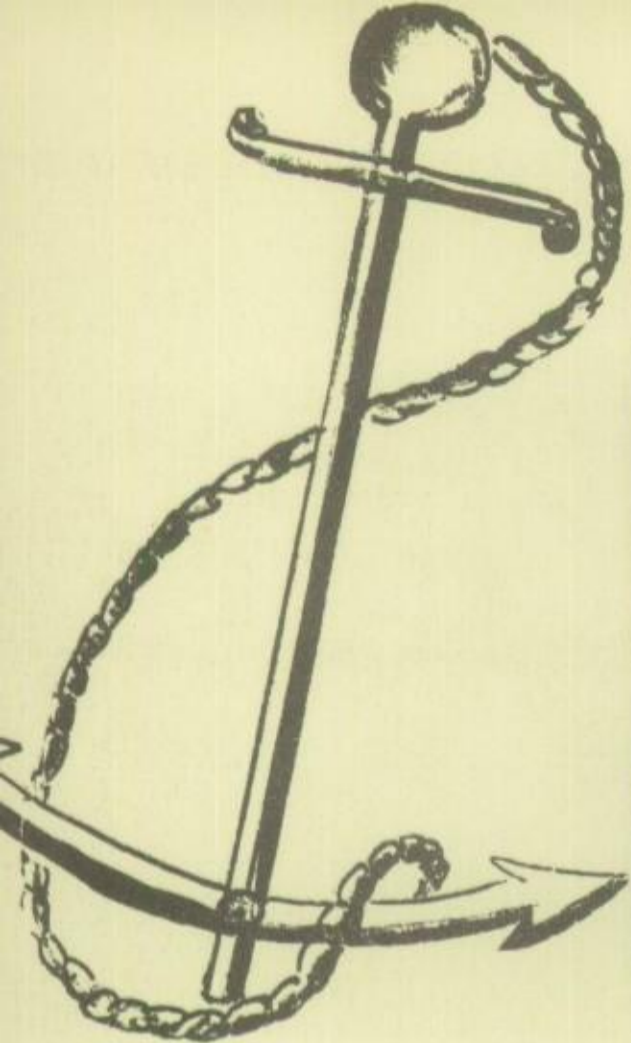

SHORTHAND SPEED CLUB

The Shorthand Speed Club endeavors to help the girls acquire a rapid shorthand speed through practicing dictation and transcription. The rate of words is always increased by Miss Vera Edgar, club advisor. Their goal is to be able to take 80 to 100 words per minute.

ART METAL

The Art Metal club familiarizes girls with the process of making metal and plastic objects. Mr. Constantine Harper, supervisor, helps the girls construct various things throughout the year.

STAGE AND LIGHTING

This is one of our most important clubs, as it contributes to all school functions. Without this club there would be no assemblies, concerts, or plays. Members are elected into the club, which is under the supervision of Mr. Horace P. MacNab.

MIXED CHORUS

The Mixed Chorus contributes toward the musical programs by participating in the Christmas Assembly and the Spring Concert. The group is directed by Miss Henrietta Galloway, vocal music instructor.

GIRLS' GLEE CLUB

The Girls' Glee Club, under the supervision of Miss Henrietta Galloway, is the only music organization in the Annex. This group takes part in high school assembly programs, and assists the high school Glee Club.

BOYS' ATHLETICS

Under the direction of Mr. William Todt, the boys participate in extra-curricular sports.

ANNEX CHEERLEADERS

Chosen in the Annex this year were these girls who participated at all games.

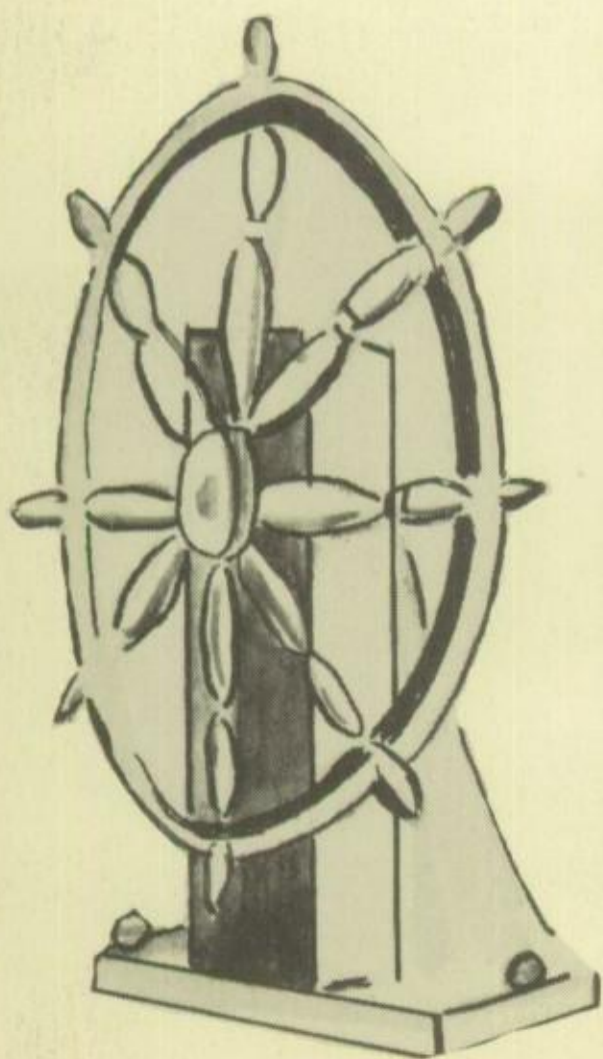

Treading the Boards

After the curtain fell on December 8th and 9th, the Hillsideers could answer the questions set forth in the December 1 issue of The Hiller. They knew why Marvin Daniels refused to go "upstairs" on Friday nights. They also found out about Matt and Barbara.

Listed as "handicaps" were the following: Charles Andrus, Lawrence Bass, Margaret Bea, Sonia Bernstein, Barry Bochner, Marvin Daniels, Patricia Downey, Ray Dzoba, Ira Ehrenkranz, Debby Friedman, Arlene Gottesman, Sandra Henoch, Howard Kaplan, Florence Pastor, Beth Raphael, Arlene Schmidt, Hanita Seifer, Donald Tresente, Janice Weiss, and Howard Weisser. Whom were they handicapping? The long-suffering stage and lighting crew under Bernie Marcus.

"January Thaw" was a thoroughly enjoyable presentation. The money collected was given to the senior prom committee.

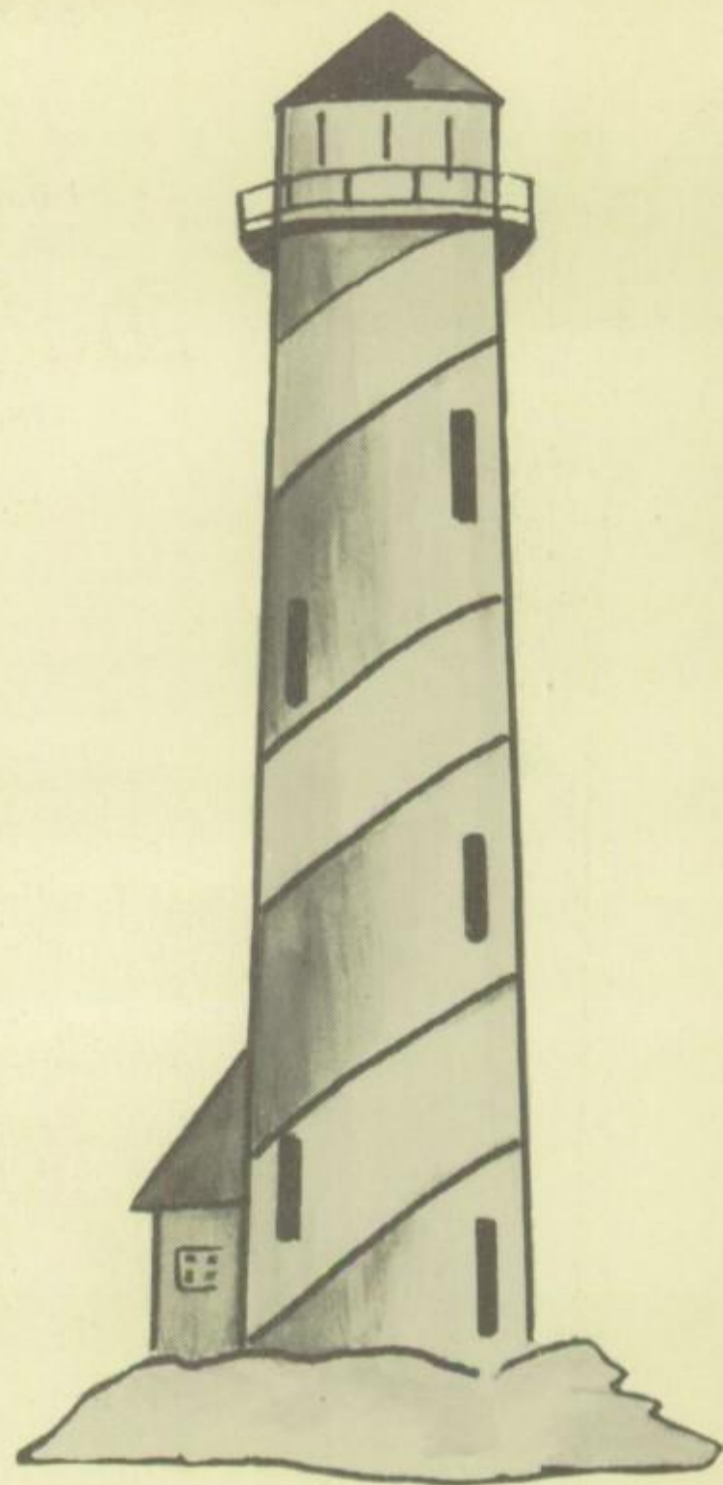

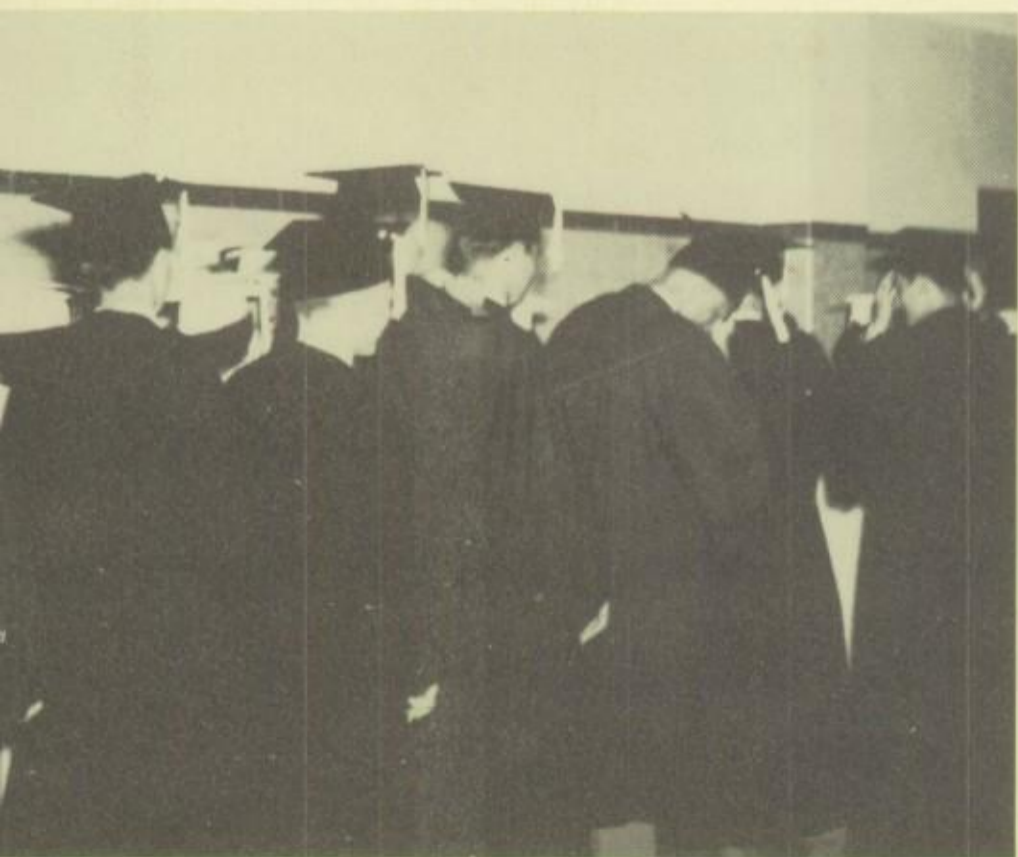

Dads' Club Operates at H.H.S.

No Hillside publication would be complete unless it paid tribute to the Dads' Club which has done so much for the school. Typical of their many excellent activities was the invitation given to the "Wheelers." The "Wheelers" is the name of a group of New Jersey paraplegics who demonstrated their basketball tactics to the club on February 23rd. Eight members of the team showed skills that they had developed through continuous practice while confined to wheelchairs. After the club's business meet-

ing, the Hillside basketball players opposed the "Wheelers." The "Wheelers" won.

We have many gifts from the Dads' Club. Among them are a whirlpool bath, two trophies for the debate and forum tournament, a trophy for the best girl athlete, and cheerleader uniforms. Although these tangible presents mean a great deal to us, we appreciate the intangible gifts even more. Their support in service and their companionable friendliness have earned our deep gratitude.
